Detailed Planning Starts for SIU-SW Dedication May 13

On May 13 Southern Illinois University-Southeastern Campus will begin a year-long dedication of the new buildings, two of which have been in use since last fall.

Kicking off the celebration will be a week of activities beginning with a dedication ceremony by Gov. Otto Kerner, campus tours, a barbecue, and followed during the week with the Spring Festival which SIU-SW Campus students still attend.

President Dr. Dore W. Morris has appointed Dr. William J. Tudor, special assistant to SIU's vice-president for student and areas services, Dr. John R. Ruffner, to serve as general chairman of dedication proceedings.

Cooperating with the University in arranging ceremonies is Arthur B. Boeker, representative of the Illinois State Bar Association.

Miss Beverly Postar, a pre-medical student at Washington University, St. Louis, has been selected to sing the national anthem.

The university's first goal

pioneer educator, who founded Rock Spring Seminary, first in the state to offer higher learning, was the Eliot P. Lovejoy Library, named in honor of the pressman.

GOP Club Seeks Letters, Members

Regional women here are being urged to write to Senators Dirksen and Douglas in support of SJR103, a proposed amendment to the U. S. Constitution to allow people of each state to decide whether they want one of their legislature elected on a ballot or not.

At a regular meeting of the Granite City Republican Women's club Thursday at the YMCA, Mrs. Vernice Worman read a letter from Mrs. Virginia Kennedy, president of the Illinois Federation of Republican Women, urging club members to take action in support of the amendment.

Membership chairman, Mrs. Kitty Morris, announced that the meeting marks the 10th anniversary of the club's drive. Members have been divided into two competing teams, captained by Mrs. Mariene Serini and Mrs. Gladys Newman. The drive will end May 19.

Mrs. Morris presented the program, a quiz patterned after the TV game of "post office," with members asked to name local or national Republican authors of imaginary comments.

The president, Mrs. Serini, announced the club's Day will be held Saturday, March 24 at the home of Mrs. Alma Klaus, 3636 East 25th street.

Hostesses for Thursday's meeting were Mrs. Morris and Mrs. Pearl Thomas.

Guests included Charles Barth, local precinct committeeman; Lester Thiele, Sandra and Sharon Serini and a new member, Mrs. Margie Bonner.

GC 'Y' Girls Capture District Swim Crown

Pre-meet favorite Granite City walked its competition to the District Four girls' YMCA swimming meet here Saturday afternoon.

The local team compiled 899½ points; Champaign was second with 567½ points, Quincy had 366½, Belleville 207½, Jackson 204½.

Pat Dorek broke three records in the intermediate division. Her winning time in the 100-yard freestyle was 1:03.9, her time in the 160-yard was 2:09.4 and her time in the 200-yard freestyle was 2:14.

Linda Benda placed second in the 200-yard freestyle event.

Alma Bickham won her three events in the Prep division and set two district records. She was first in 100-yard freestyle in 22.6 seconds and also was in 22.5 seconds in the 200-yard medley relay.

Both were record times.

She also won the 40-yard butterfly race.

Also in the Prep division, Tammy Tiburti won the 40-yard backstroke race. The Granite City team of Vicki Cagan, Tamara Tiburti, Diane Shimkus and Sue Morrison won the 160-yard medley relay with a new meet record of 1:47.

Diane Elfers won the Cadet division 200-yard backstroke race with a new district record of 2:14.

Benda won the event, clearing the water in 1:11½ inches.

A total of 43 high schools from both sides of the Mississippi River, including St. Louis county, had teams in the meet.

East St. Louis edged Lincoln 30½ to 29½ for the team title. The Granite City Warriors were 11th in team scoring with five points.

The Warriors will be idle until a March 30 meet at Alton.

Speedsters Bright Spot On Madison Track Team

The dash events and 880-yard relay appear to be the brightest spots in the 1962 edition of Madison's track team, now in its second year of practice.

The Trojans have five returning letterman back on this year's squad, and three of them are dash men.

Roy K. Jones and Bernard Phillips lettered for the Trojans last year in the dashes, while Ed Ingraham lettered as a shot putter and Bob Varady as a decathlete.

World spots are the high jump, pole vault, discus and distance events.

Varady probably will be the Trojans' dasher again this year, and he showed impressive running during last fall's cross-country season.

In the shot put, coach Gien Pickering has only Ingraham, with no experienced depth in that event.

Pickering said, "We'll try to find another really fast boy for the 880-yard relay, and that should give us a pretty good team there."

14½ seconds. She was second in the 20-yard freestyle race and third in the 20-yard butterfly event.

The midget division 80-yard individual medley relay went to the Granite City team of Cindy Blume, Lynne Kaiser, Susie Van-Hook and Diana Thompson with a time of 1:03.9.

A total of 28 local swimmers qualified for the state meet to be held next weekend at Champaign.

GC's Bridges Wins; Team Places Eleventh

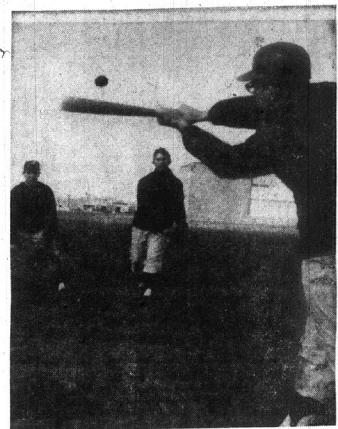

Granite City's Dwan Bridges won the 100-yard butterfly race, capturing first place in the pole vault event at the high school indoor track meet at the St. Louis Armory.

Bridges won the event, clearing the bar in 11½ inches.

A total of 43 high schools from both sides of the Mississippi River, including St. Louis county, had teams in the meet.

East St. Louis edged Lincoln 30½ to 29½ for the team title. The Granite City Warriors were 11th in team scoring with five points.

The Warriors will be idle until a March 30 meet at Alton.

GAME OF PEPPER. Outfielders Dan Shipp (left) and Dennis Henson field while Jerry McKean swings the bat in a game of pepper at a Warrior baseball practice. Granite City opens its diamond season Wednesday at O'Fallon.

GC Ready to Face O'Fallon in Opener

"We're ready more than we had hoped we would be," said Granite City baseball coach Joe Fedora. In looking toward his team's opening game at O'Fallon Wednesday afternoon.

Fedora pointed out that the reason for the team's being ready is the extremely fine weather during the past week.

"If we would play tonight, I think the starting line-up would be as follows: Jerry McKean in the field, Danny Shipp in center, Dennis Henson in right, Greg Patton at third base, Charlie Collins at shortstop, Harold Vick or Larry Rector in second base, and Fred Jackson and Fred Hoffman behind the plate."

The Warrior mentor went on to say that he never uses his pitchers for more than three innings in the first few games of the season. "Most of our pitchers either have sore arms or are not ready yet, but I guess I'd use Jim Rains, Rick Turpenoff, Mike Shamro or Tom Stich," Fedora said.

McKean is a doubtful starter due to a bad ankle suffered while sliding into home plate during an intra-squad game Thursday afternoon. Also missing from the Warrior line-up will be outfielder Orville Taylor, who has a sprained ankle.

"Taylor was in contention for a starting assignment, but I think that his ankle is broken. We don't know until tonight if it is or isn't," said Fedora.

O'Fallon, which plays fall ball as well as winter, won its conference championship three straight years and usually has a capable team, Fedora pointed out.

After this weekend—play Friday as well as Saturday—O'Fallon will be in the conference championship three straight years and usually has a capable team, Fedora pointed out.

Due to the heavy Granite City schedule, the Warriors usually carry two varsity teams.

Beverly Henkhaus Wins Annual K. C. Spelldown

Beverly Henkhaus, an eighth-grade student at St. Elizabeth's school, won the annual spelling bee conducted Sunday afternoon by Tri-City Council 1088 of the Knights of Columbus.

She out-spelled Duane Georgoff, eighth grade at St. Mark's, and Richard Francis, in the final round. He missed on the word "neglige," which she spelled correctly, and then ended the 12-round match with the word "tremendous."

The two will represent the local council in the annual Madison county spelling bee, sponsored by the Madison County K. of C. chapter, tentatively set for April 11.

Taking third place was Patricia Hart, an eighth-grade student at Sacred Heart school. She will serve as an alternate at the state spelldown.

New Champion

The new champion who succeeded Spud Simmons of St. Mark's school, is the daughter of Mr. and Mrs. Ted Georgoff, 1218 Oriole street, Venice.

Because of her achievement, St. Elizabeth's school will be the invited team during the next year, and Duane's name will be engraved upon it.

Both the winner and runner-up were presented with pens and pencils presented by the Press-Record, an annual good-spelling award. Beverly also received a camera, and Duane was given a transistor radio. Each contestant was given a ball point pen.

Postal Service Fees To Increase Saturday

An increase in some postal services will become effective in the Quad-City area Saturday as part of a nation-wide rate increase designed to offset part of a postal wage increase. Postmaster W. T. Overbeck of Granite City announced today.

The fee increases, such as insurance, registered and certified mail, C.O.D. delivery and money orders.

Overbeck said that the cost of these services to the postal department now are \$60 million dollars a year in excess of revenue. These rate increases will close the gap by \$30 million a year.

Money order fees, which now start at 20 cents for \$10, will be increased five cents; minimum insurance will be increased from 10 to 20 cents with a maximum of 60 cents for \$200.

Registered fees, now 60 and 75 cents, will be combined for a 75-cent fee up to \$100; C.O.D. fees, now 40 and 50 cents, will be combined into a 60-cent fee up to \$100 with no charge for amounts above \$100. Certified mail fees will increase 10 cents, going from 20 to 30 cents.

Optimists Hear Travel Talk by Johnsons

Highlights of a trip through the Far East last year by Mr. and Mrs. Harry R. Johnson of Madison were related by the former to Granite City Optimists at their meeting yesterday, in the YMCA. Thirty attended, including two visitors, John Dreves, a guest of Douglas Little, and Larry Shields of Belleville, whose host was Jack Donegan.

Johnson, former Madison postmaster, illustrated his talk with a series of colored slides, showing the route of his travels which included visits to Hong Kong, Japan, Hawaii and Saigon, Vietnam. He described traditional customs in the various countries and discussed the modern developments in Japan.

Profanity, Rudeness at Meeting

URGES MORE ACTIVE RETIREES

To the Editor:

There are in the Forum of your March 14 editorial page two very interesting letters, one of which I would like to comment on. The other one, by Senator Douglas, is to me self-explanatory.

It is the letter of Edward F. Roche of East St. Louis that re-quires community groups to have to come suggestions as well as actions like this, concerning retirees, from East St. Louis?

One day I was shocked to see, through the initiative of the Tri-City Trades Council, under the leadership of the then community services director, Ed Hagnauer, as well as the president of the local Elks Lodge, a start was undertaken to form an organization of retired union members.

This writer was one of the enthusiastic who had been awaiting for such a move for some time.

The response at first was not encouraging, but the attendance at our meetings through the efforts of Mr. Hagnauer as well as Mr. Roche, was excellent. After a few months of disappointment to organize the "A.F.L.C.I.O.-Fraternal Society Retired Union Members," a title since changed in order to permit non-union members to join our organization also.

A constitution and high-sounding bylaws were drawn up and accepted in regular session. But something went wrong and still is wrong with this organization in spite of the fine meeting and recreation hall it acquired through the efforts of the present director of community services, Bob McCormick.

We were the first secretary of this organization. After resigning once, due to circumstances in conflict with our adopted bylaws, something went wrong again. We were foolish enough to let ourselves be persuaded to take the job again. But seeing no change in the conduct and direction of the organization, I resigned again—not only as secretary, but as a member as well.

At '73, this writer wants to be more active and not cooped up in a hall, winter and summer. When we cannot be active anymore, we shall enter a nursing home.

In my opinion, every member of my former organization ought to blush in embarrassment to be associated with this organization from another community.

There is not only the lower bus fare issue. There are many, more important things, very important to the public.

I sometimes wonder if any of my former fellow members ever ponder the question of inflation and what it can and will do to the economy. I have known what it can and will do to us.

How can we change it? Certainly not by sitting flat, playing cards and smoking cigarettes. This writer has been suggesting to you how it could be done, but to do this everybody has to move and get busy.

No one individual can do a thing that is under control. It seems to never made sense to many of them.

We sincerely hope that the former fellow members get out of the hall soon and get some fresh air, get contact with other organizations of this kind, write to their senators and representatives and study "Inflation and how to combat it."

But most of all get busy. United you stand, divided you fall. A few of you may have plenty

casions, was allowed to swear and make insulting and childish remarks to another alderman.

I believe he was out of order and should be made to conduct himself in a businesslike manner.

FUND DRIVE MIGHT HELP OBTAIN WARNING LIGHTS

To the Editor:

Reading of the many deaths this week in the paper has saddened me, especially when some were so needless.

One death was a shock that would have been hard to foresee and prevent. However, the death of Mrs. Baker and her lovely little daughter could have been prevented.

I am shocked with a lady at St. Elizabeth Hospital; about two years ago she lost her husband at that same crossing and is left with five children to raise alone.

These things touch me, and I know there are many others in Granite City who feel the same way.

I am not familiar with the legal details this might involve, but why would the railroad or any other entity object if it could help many other people. At least two or three more accidents could occur within the next two or three years, and many lives taken.

As you can see, the author mentioned, a great deal of the lives taken was worth far more than \$25,000.

When the highway is finally widened, if they don't need the crossing gates any longer we could always donate them to another crossing that should be protected.

Lets not let Mr. Baker think he has lost his loved ones for nothing and that nobody cares; let's all jump in and help.

Let's work together and help in a fund drive, or any way I can. I am sure we could enlist the aid of our local churches as a start.

Let's be "The City of Heart and Action." —

ASKS PUBLIC SUPPORT FOR CROSSING SIGNALS

To the Editor:

Railroad companies like to scream to the public about their employees' safety record. But how much concern have they shown to this community about the needless slaughter on the Maryville road crossing?

While some executive sit on their plush chair, the disasters continue.

There have been petitions with 100 signatures on them. But the highway department and railroads come up with the same song and dance about their future plans to eliminate these disasters, but nothing is done.

We know how many years this can take. We must signal lights on this crossing, or close it.

So let's everyone write a letter to the governor of this state. Maybe we can get some action.

Listen, Think Before Speaking

By Rev. Alfred Buis,
Pastor of Hope Lutheran Church

Everyone is familiar with the sign posted at a railroad track with the words, "Stop - Look - Listen" painted on it. While we don't follow this procedure at every railroad crossing, the words indicate some very good direction.

We might borrow this with a few changes and suggest that every person would do well to "Listen - Think - Speak."

When we speak we do from the background of our experience and our particular frame of mind and environment.

We may speak very sharp and corrective words to others, or we may speak in a very gentle, kind, and with irresponsibility. If we're honest with ourselves and this attitude, this attitude could change once we are aware of circumstances that have caused the speech.

It is not to say that we overlook the irresponsibility and write it off. But it can mean an entirely different approach to speak.

the individual as we try to help and not merely condemn.

Listen to God

The place to really begin our listening is the point at which God speaks to us.

In cultivating a rapport, however, situations may arise that let us unreservedly — could pose a problem.

For example:

1. Should you ask your doctor—in advance—the cost of any treatment, test or operation? It may be helpful to know all about your doctor's fees.

2. Should you complain to your pharmacist bill to your doctor?

3. Is there any limit to questioning your doctor about your condition?

4. Should you release your medical records to another physician?
